1 SEP 1960

Memorandum No. 55

MEMORANDUM FOR: [redacted] 25X1A9a

SUBJECT: [redacted] Request for maps 25X1A2g

REFERENCE: [redacted] 8 June 1960 25X1A6b

1. Map distribution to the Station will be increased to 22 copies as requested.

2. [redacted] to be more feasible to forward these 22 copies directly [redacted] as has been done in the past, keeping only the War Room materials in separate packages. 25X1A6a

3. The following information is furnished concerning special request attached to [redacted] for materials requested by the War Room: 25X1A6b

a. Map 14620 is obsolete and no copies are available. A map on the same subject, No. 27493, will be published soon. This map will be forwarded, when received, and a set of color separation positives will be made and sent at that time.

b. All color separation positives will be made and sent by another office.

c. All unclassified maps on this request have been forwarded to the War Room's Fleet Post office address.

d. Two packages, one CONFIDENTIAL and one SECRET, to fill this request are being forwarded with an envelope attached to the outside of each for transmittal to the War Room.

4. Thirty copies each of 28229 and 28229.1 were forwarded to your Station for CINCPACFLT on 22 August 1960.

5. Automatic distribution of classified materials which have been held for the War Room will be shipped soon. Distribution will then continue at regular intervals.
